

INVESTMENT FOCUS & APPROACH

SECTORS WE INVEST IN

We focus on sectors at the forefront of **technological and environmental advancements**, including:

- **Life Sciences & HealthTech** – Biotech, MedTech, Digital Health, AI-driven drug discovery
- **CleanTech** – Renewable energy, waste-to-energy solutions, carbon capture, ESG-driven innovations
- **AgriTech** – Precision agriculture, vertical farming, AI-driven food production
- **DeepTech & Sustainability** – Technologies shaping the future of sustainable industries

YANTRA CAPITAL

WHO WE ARE

Yantra Capital is a **North America-based investment firm** focused on high-growth opportunities in **Life Sciences, HealthTech, CleanTech, and AgriTech**. Our mission is to **identify and invest in innovative companies that are transforming industries through advanced technologies and sustainable solutions**.

With deep expertise in corporate finance, investment strategy, and financial operations, we serve single and multi-family offices, investment funds, and corporations. Our buy-side and sell-side experience enables us to deliver tailored solutions that drive growth and optimize investments.

INTERESTED IN PARTNERING WITH US?

OUR EDGE

- **Proprietary Deal Flow** – Through our partnership with **Glenmore Consulting**, we gain **early access to high-potential startups** and growth-stage companies before they reach broader markets.
- **Experienced Leadership** – Led by **Suren Ramlochun** and **Akhilesh Jalakanta**, our team brings deep expertise in **private equity, venture capital, and strategic business growth**.
- **Global Network** – We leverage **strong cross-border connections** between North America, the Middle East, and emerging markets to create **scalable investment opportunities**.

OUR INVESTMENT APPROACH

Early-Stage to Growth Investments – We back companies from **Series A to Series C funding rounds**.

Strategic Value Creation – We go beyond capital by **providing strategic guidance, operational expertise, and market expansion support**.

Cross-Regional Expansion – We help companies **scale beyond North America into MENA and other key markets** through our extensive partner network.
